SoundBoard
soundboard.giamusic.com

GIA's Soundboard is news and resources. It's planning suggestions and professional development. It's sneak peeks and sales, giveaways and free webinars. But mostly, **Soundboard** is the heart of the GIA community, committed to bringing you the resources you need as a musician and a music minister.

PDF Downloads for Individual Hymn Tunes

 **unbound**

Unbound makes thousands of those hymns available at the click of a button. Selections previously published in text and tune collections can now be purchased as PDF downloads with full accompaniment included. New material will be added on a rolling basis, featuring works by today's best writers and composers. **Unbound** provides full scores for instrumentalists and music leaders.

Your sound. Inspired.
